Saul Loeb/AFP/Getty Images Aaron Rodgers presents President Obama with a Packers jersey during the team's White House visit. Before Friday, I had never had the remote inclination to watch a championship team's visit to the White House. So meantime I have no context as comparison, uga football jersey, the Green Bay Packers' visit Friday afternoon was recreation and particularly interesting as its NFC North angles, make

your own football jersey. Among them: The President of the United States' request to commerce quarterback Aaron Rodgers to the Chicago Bears. More in a bit President Barack Obama, new Nike jerseys, of lesson, NFL jerseys Nike, is a longtime Bears fan who catered the Packers some bulletin-board material last January when he said he would attend Super Bowl XLV only if the Bears won the NFC Championship Game. After the Packers' victory, cornerback Charles Woodson told teammates that whether Obama didn't want to discern the Packers activity among the Super Bowl, "we'll work discern him" according to winning it. Friday, Obama said he had theoretical something during that episode: "Don't confusion with Charles Woodson." In light-hearted remarks during a 10-minute ceremony, new NFL jersey, Obama said: "I'm just going to bring off and mention it: This hurts a little bit This is a hard thing as a Bears fan to do." He added: "You guys [are] coming into my house to rub it in What are you going to do, NFL customized jersey, work to Ditka's house afterward Packers fans, Obama said, ought to enjoy it meantime it lasts" because Bears fans "have two dates circled this season -- the two Bears-Packers games. Joking, I think, Nike college football jerseys, Obama reminded the Packers that if you guys are aboard a roll late in the season, NFL jersey sale, equitable reserve among mind that there is only an person here who can ground always planes surrounded and out of Green Bay if he has to." Obama got in the obligatory joke nearly linebacker Clay Matthews' cilia and, behind Woodson presented him with an honorary share of Packers stock, Obama said: "If I'm a chapter employer what I'm thinking is we ought initiate a trade to send Rodgers down to the Bears. What do you think, discount NFL jerseys?" Woodson then clarified that Obama is "a minority employer Saul Loeb/AFP/Getty Images President Obama laughs after Charles Woodson gave him an honorary share of Packers stock. (An aside: Jay Cutler impartial can't get an ounce of worship -- never even from the President of the United States!) Meanwhile, Nike NFL jerseys 2011, Packers players filled Twitter with some cool photographs from their day by the White House. Some of the best: Linebacker A.J. Hawk, firm kill Spencer Havner, real NFL jerseys, linebacker Brad Jones and Rodgers among front of an Abraham Lincoln portrait. A view of the White House from tight end Tom Crabtree that you don't normally see Safety Nick Collins' outlook of Obama's entrance with director Mike McCarthy, crew president Mark Murphy and common manager Ted Thompson never shown). Receiver Greg Jennings' photo with Woodson and Obama, China NFL jersey. In a classy move the Packers brought former right tackle Mark Tauscher with them on the trip Tauscher was released this summer, authentic NFL jerseys cheap. Meanwhile, linebacker Desmond Bishop tweeted that he left his identification within the Packers' crew airplane and was denied way to the ceremony. ? NFC On the Radar: East | West | North | South ? AFC: East | West | North | South A actor consultant alternatively issue that should be on your radar as training camp approaches I don't know nearly you guys, but I'm anxious to see how Mike Shanahan divides carries among his stable of former star running backs Shanahan surrounds himself with running backs the way Jon Gruden acclimate to do with quarterbacks. He believes there's strength among mathematics and he's left no stone unturned while it comes to backs whose professions peaked surrounded 2006. Bob Donnan/US Presswire The Redskins have some veteran options backing up Clinton Portis. As we discussed aboard the blog this morning, create your own football jersey, the Redskins have immediately made one offer to former Eagles star Brian Westbrook. Shanahan has even lobbied Westbrook's younger brother Byron, who plays cornerback as the Skins. In my mind, Westbrook would have a exceedingly specialized symbol among the Redskins' guilt Coming off a year within which he had two concussions surrounded a short period of period there's no way Westbrook can have more than seven alternatively eight carries per game. He'd be accustom as a third-down behind and the Redskins would attempt to get him matched up one-on-one with linebackers. If Westbrook signs with the Redskins, both Larry Johnson or Willie Parker would be the weird male out, authentic football jerseys. It would be silly to keep always four players active It's never like anybody of them can assistance you on special crews Are you going to ask Parker to escape down aboard kickoffs, NFL jersey cheap? From the folks I've talked to by Redskins Park, Parker probably would be the 1st actor to work He has never looked all namely explosive in exercise sessions, merely obviously we have a long access to work Given Shanahan's success surrounded Denver, we've come to believe namely any back can have success among his zone-blocking invent But namely wasn't the case his last couple of seasons with the Broncos. Denver had a ton of injuries and the Mike Andersons and Olandis Garys of the world stopped showing up out of nowhere. Just as the Redskins' running backs have recognizable names doesn't average they'll automatically put up huge numbers among Kyle Shanahan's offense Johnson's along his best while running downhill. But Washington's crime ambition require him to be patient and await as cutback lanes to develop He's never seemed favor a agreeable eligible within this crime to me -- even if he still had his '06 legs Quarterback Donovan McNabb is convinced namely finally having a consistent running game ambition allow him to have more success. But I don't discern anyone within this backfield who would frighten one opponent, NFL jersey supply. Is anyone worried namely Clinton Portis or Johnson will take it to the house from midfield, personalized NFL jersey? I'm quaint to listen what Redskins fans think of this rotation. You guys think there's dormitory as Westbrook?
